All God's critters got a place in the choir  
Some sing low, some sing higher  
Some sing out loud on the telephone wires  
And some just clap their hands, or paws, or anything  
they got now

All God's critters got a place in the choir  
Some sing low, some sing higher  
Some sing out loud on the telephone wires  
And some just clap their hands, or paws, or anything  
they got now

Listen to the bass, it's the one on the bottom  
Where the bullfrog croaks and the hippopotamus  
Moans and groans with a big t'do  
And the old cow just goes moo

The dogs and the cats they take up the middle  
While the honeybee hums and the cricket fiddles  
The donkey brays and the pony neighs  
And the old coyote howls

All God's critters got a place in the choir  
Some sing low, some sing higher  
Some sing out loud on the telephone wires  
And some just clap their hands, or paws, or anything  
they got now

Listen to the top where the little birds sing  
On the melodies with the high notes ringing  
The hoot owl hollers over everything  
And the jaybird disagrees

Singin' in the night time, singing in the day  
The little duck quacks, then he's on his way  
The 'possum ain't got much to say  
And the porcupine talks to himself

All God's critters got a place in the choir  
Some sing low, some sing higher  
Some sing out loud on the telephone wires  
And some just clap their hands, or paws, or anything

they got now

It's a simple song of living sung everywhere  
By the ox and the fox and the grizzly bear  
The grumpy alligator the the hawk above  
The sly raccoon and the turtle dove

All God's critters got a place in the choir  
Some sing low, some sing higher  
Some sing out loud on the telephone wires  
And some just clap their hands, or paws, or anything  
they got now

All God's critters got a place in the choir  
Some sing low, some sing higher  
Some sing out loud on the telephone wires  
And some just clap their hands, or paws, or anything  
they got now
