"All My Life"

I been labelled
I been named
I been working
All my life
For better things

And I've been patient
And been denied
All my life waiting
Waiting all my life
Living with these feelings
All my life

I've been libelled

I've been framed
I've witnessed my survival
Like I've witnessed many things

And I've been slandered
And I have been wronged
I've been waiting for "the good times"
For so long
All my life
All my life.
