I see the crystal raindrops fall  
And the beauty of it all is when the sun comes shining  
through  
To make those rainbows in my mind when I think of you  
sometime  
And I want to spend some time with you

Just the two of us  
We can make it if we try  
Just the two of us

Just the two of us  
Building castles in the sky  
Just the two of us  
You and I

We look for love, no time for tears  
Wasted water's all that is and it don't make no flowers  
grow  
Good things might come to those who wait, not for  
those who wait too late  
We've got to go for all we know

Just the two of us  
We can make it if we try  
Just the two of us

Just the two of us  
Building them castles in the sky  
Just the two of us  
You and I

I hear the crystal raindrops fall on the window down the  
hall  
And it becomes the morning dew  
And, darling, when the morning comes and I see the  
morning sun  
I want to be the one with you

Just the two of us  
We can make it if we try

Just the two of us

Just the two of us  
Building big castles way on high  
Just the two of us  
You and I

Let's get it together, baby
