For those who love doors open
For those who love are chosen
May life not leave you frozen
Knocking forever more... On open doors

First you flip - then you flop
Love is here - then it's not
But what I really need to know
Is when will the crying stop
When will the crying stop?

When the night feels dark and friendless
And the torment feels it's endless
You may think you have to end this
I'm here for you for sure... With open arms (and open
Doors)

First you flip - then you flop
Love is real - then it's not
But what I really need to know
Is when will the crying stop
When will the crying stop?

MID

I've been blessed by the gift of love
The gift of love is mine for sure
I've been blessed by the gift of love
You'll be in my heart forever more
(Sail to my harbour)

First you flip - then you flop
I'm still here - but you are not
But what I really need to know
Is when will the crying stop
When will the crying stop?
