[Kane & Abel]

We are, Most Wanted  
We are, Most Wanted  
We are, Most Wanted  
We are, Most Wanted

[Verse 1]

How many niggas you know can do this here  
Come back with something new like this here  
Everybody sayin' "Damn them boys blew this year"  
25 mill my brother makin' 25 too this year  
Let me tell ya how we gon' do this here  
Number one song after number one song  
Hoes stare at us long cause our paper so long  
Niggas gon' do us wrong cause our click so strong  
It's on now, we just tryin' to pay our dues  
And park our Lamborghini's outside the House of Blues  
Tell the police move, givin' these hoes and these  
haters the blues  
Fix ya face dudes we ain't tryin' to take ya boo  
We been rappin' for the longest fool  
Since Tucker fucked Sweets on Lou at the Beau  
Shamboo  
Now the East Coast respect us too  
And them gangstas on the West Coast, they know we  
true  
And them Midwest playas got much love too  
But we represent the South and we do what we do  
And the thugs and the dealers that we ride with too  
And if you ain't bout cho' business then we gon' ride on  
you  
We are

[Hook]

Kane and Abel, who you ridin' with  
Kane and Abel, and who we thuggin' with  
Kane and Abel strikes back again (Most Wanted)  
Kane and Abel, who you ridin' with  
Kane and Abel, and who we ballin' with  
Kane and Abel strikes back again (Most Wanted)

[Kane & Abel]

Money goes straight to you know who (Who we ballin'  
with)  
Money goes straight to you know who (Who we ballin'  
with)

[Verse 2]

Feds tap my phone, follow me home  
Baby goal was the year, lil' daddy it's on  
We gon' live it up till the last penny gone  
Like Shaq in the paint, gotta take it up strong  
Caught a dope case but we bouncin' back  
Now slangin' these tapes like an ounce of crack  
My boy Killer Black doin' life in the pen  
Told me "Watch them ho ass niggas call they self ya  
friend"  
Po-po make a squeeze they gon' turn ya in  
Don't wanna see the twins in a brand new Benz  
Got game on them dog hoes that's for sho'  
How far, only God knows how a nigga can go  
Take the game how it go never take it slow  
If I fuck one ho, I can fuck some mo'  
Niggas know we ain't no snitches, they know we ain't no  
bitches  
Dust two niggas from the ghetto, handle business  
Yeah, for sho' Most Wanted  
Yeah, who we is

[Hook]

Kane and Abel, who you ridin' with  
Kane and Abel, and who we thuggin' with  
Kane and Abel strikes back again (Most Wanted)  
Kane and Abel, and who we ballin' with  
Kane and Abel, who y'all want  
Kane and Abel strikes back again (Most Wanted)

[Kane & Abel]

Money goes straight to you know who (One time)  
Money goes straight to you know who (World wide)

[Verse 3]

This is for my niggas that be on the block  
Still hustlin' everyday tryin' to make shit pop

From the niggas with the sawed-off, K's and glocks  
For them hoes that's so tight they can't be stopped  
We don't really give a fuck if that's ya hair or not  
Just do it baby, stick it baby, shake it and drop  
Four tires, eighty inches of chrome hurtin' ya dome  
In Vibe magazine with a silk shirt on  
Come on, let me show ya how the South Coast rock  
Wanna get what you want gotta use what cha' got  
Shorty don't stop, I like it like that  
Got big country legs plus that ass real fat  
Down South, everybody wanna live large  
Big money, nice hoes, nice clothes, big cars  
Ghetto superstars, ya know who we are  
Most Wanted won't stop till the world is ours  
Yeah...Most Wanted  
Who we is

[Hook]

Kane and Abel, who you ridin' with  
Kane and Abel, and who we thuggin' with  
Kane and Abel strikes back again (Most Wanted)  
Kane and Abel, who y'all want  
Kane and Abel, who you ridin' with  
Kane and Abel strikes back again (Most Wanted)

[Kane & Abel]

We are Most Wanted, Most Wanted  
Yeah, yeah
