Excuse me, Captain Ahab  
How did you get me so stoned?  
Excuse me, Captitain Ahab  
How did you get me so stoned?  
You got me feelin'  
Uptight  
You always do me  
Right  
Excuse me, monsieur eight ball  
Who told you to get me high?  
Excuse me, monsieur eight ball  
Who told you to get me high?

You got me feelin'  
Uptight  
You always do me  
Right  
Entschuldigen mir Captain Ahab, bitte  
Ich bin sehr stoned  
Entschuldigen mir Captain Ahab, bitte  
Ich bin sehr stoned  
You got me feelin'  
Uptight  
You always do me  
Right
