My lovers gone
His boots no longer by my door
He left at dawn
And as I slept I felt him go return no more
I will not watch the ocean
My lovers gone
No earthly ships will ever bring him home again
Bring him home again
My lovers gone
I know that kiss will be my last
No home his song
The tune upon his lips has passed I sing alone
While I watch the ocean
My lovers gone
No earthly ships will ever bring him home again
Bring him home again
