Coming back from paris on the train,  
I really didn't care if the journey took all day,  
Trying to turn the pages of my magazine,  
Ill try to keep a hold all your hand,  
And ordering a coffee that i wouldn't ever drink,  
Just to keep you and paris on my mind, [x2]  
I didn't know it would be the last time,  
The last time,  
I saw you,  
At waterloo we went our separate ways,  
When i got in my cab i didn't turn and wave,  
Didn't go to work just went to bed,  
Trying to keep you and paris on my mind [x2]  
I didn't know it would be the last time,  
The last time,  
I saw you,  
I phoned your office this afternoon,  
Hey said they hadn't heard anything from you,  
Its been seven days without a word,  
I have to keep you and paris on my mind, [x2]  
I didn't know it would be the last time,  
The last time,  
I saw you,  
Going back to paris on the train,  
Raining and here without you,  
Its not the same,  
I have to do this journey one more time,  
Just to keep you and paris on my mind [x2]  
I didn't know it would be the last time,  
The last time,  
I saw you,  
The last time,  
I saw you
