Sweet sweet Satan
Lay your deformed hands on me
Make sure I make lots of money
Sweet sweet Satan
I will sell you my soul
For a piece of pussy and a lot of action...
Take a trip down King Pin alley
Do it by the quart
Your momma and your sister
Are in the Marine Corps
Give me raw, raw, raw Titan power!
Sweet sweet Satan
Lay your deformed hands on me
I'll sell you my soul if you promise me lots of
MONEY!
I say c'mon now everybody
Dig my recipe

Takes ten pounds of bullshit
For ten ounces of glory
Give me raw, raw, raw Titan power!
Sweet sweet Satan
Lay your deformed hands on me
I'll sell you my sould if you promise me lots of
MONEY!
Take it to King Pin Alley
You'll see what I say
King Pin cleance your sould
Just a Dorris Day
Give me raw, raw, raw Titan power!
Sweet sweet Satan
Lay your deformed hands on me
I'll sell you my soul if you promise me lots of
MONEY!
