Touch my skin
And tell me what you're thinking
Take my hand and show me where we're going
Lie down next to me , look into my eyes and tell me,
Oh tell me what you're seeing
So sit on top of the world and tell me how you're
feeling,
What you feel is what i feel for you
Take my hand and if i'm lying to you,
I'll always be alone, if i'm lying to you
See my eyes, they carry your reflection, watch my lips
and hear the words Im telling you
Give your trust to me and look into my heart and show
me
Show me what you're doing
So sit on top of the world and tell me how you're feeling
What you feel is what i feel for you
Take my hand and if i'm lying to you
I'll always be alone if i'm lying to you
Take your time, if i'm lying to you
I know you'll find that you believe me, you believe me
Feel the sun on your face and tell me what you're
thinking
Catch the snow on your tongue and show me how it
tastes
Take my hand and if i'm lying to you,
I'll always be alone if i'm lying to you
Take you time and if i'm lying to you
I know you'll find that you believe me, you believe me
