From behind these walls I hear your song
Oh, sweet words
The music that you play lights up my world
The sweetest that I've heard

Could it be that I've been touched and turned?
Oh, Lord please
Finally, finally things are changing

This land is mine but I'll let you rule
I'll let you navigate and demand
Just as long as you know, this land is mine

So find your home and settle in
Oh, I'm ready to let you in
Just as long as we know, this land is mine

After all the battles and the wars
The scars and loss
Well, I am still the queen of my domain
And feeling stronger now

The walls are down a little more each day
Since you came
Finally, finally things are changing

This land is mine but I'll let you rule
I'll let you navigate and demand
Just as long as you know, this land is mine

So find your home and settle in
Oh, I'm ready to let you in
Just as long as we know, this land is mine

For all the days I've traveled alone
In this cold and colorless place till now
It's what I had to pay

This land is mine but I'll let you rule
I'll let you navigate and demand
Just as long as you know, this land is mine

So find your home and settle in
Oh, I'm ready to let you in
Just as long as we know, this land is mine

This land is mine but I'll let you rule
I'll let you navigate and demand
Just as long as you know, this land is mine
