Touch my skin and tell me what you're thinking  
Take my hand and show me where we're going  
Lie down next to me  
Look into my eyes and tell me  
Oh  
Tell me what you're seeing

So sit on top of the world and tell me how you're feeling  
What you feel now is what I feel for you

Take my hand and if I'm lying to you  
I'll always be alone if I'm lying to you

Take your time  
If I'm lying to you I know you'll find that you believe me  
You believe me  
You believe me

See my eyes  
They carry your reflection  
Watch my lips and hear the words I'm telling you  
Give your trust to me and look into my heart  
And show me  
Show me what you're doing

So sit on top of the world and tell me how you're feeling  
What you feel now is what I feel for you

Take my hand and if I'm lying to you  
I'll always be alone if I'm lying to you

Take your time  
If I'm lying to you I know you'll find that you believe me  
You believe me  
You believe me  
You believe me  
You believe me  
You believe me

Feel the sun on your face and tell me what you're  
thinking

Catch the snow on your tongue and show me how it  
tastes

Take my hand and if I'm lying to you  
I'll always be alone if I'm lying to you

Take your time  
If I'm lying to you I know you'll find that you believe me  
You believe me

Take my hand and if I'm lying to you  
I'll always be alone if I'm lying to you

Take your time  
If I'm lying to you I know you'll find that you believe me  
You believe me

Take my hand and if I'm lying to you  
I'll always be alone if I'm lying to you

Take your time  
If I'm lying to you I know you'll find that you believe me  
You believe me  
You believe me
