My tea's gone cold, I'm wonderin why
'got out of bed at all.
Mornin' rain clouds out my window.
and I can't see at all.
Even if I could, it would all be gray,
but your picture on my wall:
it reminds me that it's not so bad, it's not so bad

drank too much last night, got bills to pay
my head just feels in pain
missed the bus again, and there'll be hell today
late for work, again.
Even if I'm there, they'll all imply that I might not last
today,
but then you called me then it's not so bad, not so bad
and

Chorus

I-I want to thank you, for giving me the best day of my
life
and lord, just to be with you, is giving me the best day
of my life.

Push the door, I'm home at last
and soakin' through and through
then you handed me a towel
and all I'll see is you.
Even if my house falls down and I wouldn't have a clue
because you're with me

Chorus repeat x2
