I wanna move with the seasons
Go with the flow
Take it easy
And let stuff go
I wanna sleep like a baby
And rise with the sun
Kick it all back
And get nothing done
Wanna make this day
The longest day
With a warmth that
Delivers happiness

If only for today
I wanna be
The girl who got away
The lover who really loved
The dancer who danced
To the last song

Don't wanna take sides
Don't wanna make sense
Of pounds and pence
I want to be alone
Don't want hide
Don't want to be talked over
Or walked upon
I want to think the heart is bigger than the head
Wanna follow you but not be led

If only for today
I wanna be
The girl who got away
The lover who really loved
The dancer who danced
To the last song

I know what it's like
To be passed over
To go unnoticed
To be clumsy get things wrong
and I know what it's like

To arrive too late
To be told to leave
To be walked upon

If only for today
I wanna be
The girl who got away
The lover who really loved
The dancer who danced
To the last song
