[Rufus Wainwright]

I eat dinner at the kitchen table
By the light that switches on
I eat leftovers with mashed potatoes

No more candlelight
No more romance
No more small talk when the hunger's gone

I eat dinner at the kitchen table and I wash it down with
pie
I eat leftovers with mashed potatoes

No more candlelight
No more romance
No more small talk when the hunger stops

Never thought that I'd end up this way
I who loved the sparks
Never thought my hair'd be turning to grey
Used to be so dark
So dark

[Dido]

No more candlelight
No more romance
No more small talk when the hunger's gone

No more candlelight
No more romance
No more small talk when the hunger's gone
When the hunger's gone

Never thought that I'd end up like this
I who love the night
Never thought I'd be without kiss
No one to turn out the light
Turn out the light

[Rufus Wainwright]

I eat dinner at the kitchen table

[Dido]
By the light of the tv screen

[Rufus Wainwright]
I eat leftovers with mashed potatoes

[Dido & Rufus Wainwright]
No more candlelight
No more romance
No more small talk

[Rufus Wainwright]
When the plate is clean

[Dido]
When the hunger's gone

[Rufus Wainwright]
When the hunger's gone
