[Dido:]

In your life, your mad
In your car, your sad
O' your taller now I've found
Hold your fire course
O' your fallen out
Go and sow your courses

[A R R:]

If I rise, they are on my drive
If I believe, it's more than it is
More than it is

[Dido:]

If I rise, one more chance
All our dreams, more than this
O' your taller now I've found
Hold your fire course
O' your fallen out
Go and sow your courses

[A R R:]

If I rise, they are on my drive
If I believe, it's more than it is
It's more than it is

[Chorus:]

If I thought I wanted more
Get the life more
Just one more call
Though I've never lost
Believe I don't care
Never again

[A R R & Dido:]

If I rise, they are on my drive
If I believe, it's more than it is
It's more than it is

[Chorus:]

If I thought I wanted more
Get the life more

Just one more call

[Dido:]

If I believe, there's more than this

Anymore than this
