Take it by your silence
That I'm free to walk out the door
By the look in your eyes I can tell
You don't think I'll be back for more
Try to think of a world
Where you could stay and these safe hands could go
Take your heart above the water
Wherever I chose to go

No love without freedom
No love without freedom
No love without freedom
No freedom without love

Even when you don't see me
Even when you don't hear
I'll be flying low below the sun
And you'll feel it all out here

No love without freedom
No love without freedom
No love without freedom
No freedom without love

No love without freedom
No love without freedom
No love without freedom
No freedom without love

Standing here in silence
The world in front of me
Holding you in my hand
And seeing as you'd see

No love without freedom
No love without freedom
No love without freedom
No freedom without love
No freedom without love
