Oh darling I miss you / And boy is it hard / The thought of you leaving / Is breaking my heart / New York, New York, temperature's droppin' / The band's out shoppin', not stoppin' 'til ears pop / Cops protect shops, lots of yellow cabs and bellhops / And it never stops / I'm waitin' to do an interview, so much to tell you / Today I feel close enough to smell you / Additional dates they were plannin' just fell through / Florida's out, we fly September 22 to Heathrow / So there's not really long to go / Tonight will be a brilliant show / Lettin' you know I miss you / More than four hits the floor at a party / Send my love to everybody / Please, send my love to everybody (everybody everybody everybody...) / Send my love to everybody (everybody everybody everybody...) / Oh darling I miss you / And boy is it hard / The thought of you leaving / Is breaking my heart / Honey, I'm writin' from D.C., feelin' queasy / Stayin' healthy on the road isn't easy / The TM recommend Sanatogen / Not one of them could resist takin' the piss / I miss you like a lock in the door what's more / I go to sleep with my Walkman 'cos half the crew snore / Don't mean to be a bore, everybody's been great / But there's fifteen of us in a bus state-to-state / So I stay up late with a tape or meditate / My bed is travellin' at fifty-five mph / When we make it to L.A., I'll still be miles away / It's not my best day I'm gonna get some rest / God bless / Oh darling I miss you / And boy is it hard / The thought of you leaving / Is breaking my heart / If these walls can't hold you / My house will be dark / If these walls can't hold you / My house will be dark / Oh darling I miss you / My house will be dark / Oh darling without you / My house will be dark / Oh darling I miss you
