Sand In My Shoes Lyrics

Two weeks away feels like the whole world should've changed

But I'm home now

And things still look the same

I think I'll leave it till tomorrow to unpack

Try to forget for one more night

That I'm back in my flat on the road

Where the cars never stop going through the night

To a life where I can't watch a sunset

I don't have time

I don't have time

[Chorus:]

I've still got sand in my shoes

And I can't shake the thought of you

I should get on, forget you

But why would I want to

I know we said goodbye

Anything else would've been confused but I wanna see you again

Tomorrow's back to work and down to sanity

Should run a bath and then clear up the mess I made before I left here

Try to remind myself that I was happy here

Before I knew that I could get on a plane and fly away

From the road where the cars never stop going through the night

To a life where I can watch a sunset

And take my time

Take all our time

[Chorus]

I've still got sand in my shoes

And I can't shake the thought of you

I should get on, forget you

But why would I want to

I know we said goodbye

Anything else would've been confused but I wanna see you again

I wanna see you again

...

I wanna see you again

Two weeks away, all it takes to change and turn me  
around, I've fallen

I walked away and never said that I wanted to see you  
again

[Chorus x2]

I've still got sand in my shoes

And I can't shake the thought of you

I should get on, forget you

But why would I want to

I know we said goodbye

Anything else would've been confused but I wanna see  
you again

I wanna see you again

I wanna see you again
