i drank to much lastnight got bills to pay my head just
feels in pain

i missed the last and there'll be hell todaym i'm late for
work again and even
if i'm there, they'll all imply that i might not last the day
and then you call
me and it's not so bad, it's not so bad and i want to
thank you for giving me
the best day of my life oh just to be with you is having
the best day of my life

push the door, i'm home at last and i'm soaking
through and through then you
handed me a towel and all i see is you

and even if my house my falls down right now, i
wouldn't have a clue because
your near me and i want to thank you for giving me the
best day of my life oh
just to be with you is having the best day of my life
