My tea's gone cold
I'm wondrin why I
Got out of bed at all
The morning rain clouds up my window
And I can't see at all
And even if I could it'd all be gray
but your picture on my wall
It reminds me that it's not so bad
It's not so bad

I drank too much last night
Got bills to pay
My head just feels in pain
I missed the bus and there'll be hell today
I'm late for work again
And even if I'm THERE they'll all imply
That I might not last the day
And then you called me
And it's not so bad
It's not so bad

And I...want to thank you
For giving me the best day of my life
Oohh, just to be with you
Is having the best day of my life

Push the door I'm home at last
And I'm soaking through and through
And then you handed me a towel
And all I see is you
And even if my house falls down now
I wouldn't have a clue
Because you're near me

And I...want to thank you
For giving me the best day of my life
Oohh, just to be with you
Is having the best day of my life

I...want to thank you
For giving me the best day of my life

Ooohh, just to be with you
Is having the best day of my life
