I know you think that I shouldn't still love you or tell you that.

But if I didn't say it well I'd still have felt it,

where's the sense in that

I promise I'm not trying to make your life harder

Or return to where we were but

I will go down with this ship and I won't put my hands up and surrender

There will be no white flag above my door,

I'm in love and always will be

I know I left too much mess and destruction to come back again

And I caused nothing but trouble,

I understand if you can't talk to me again

And if you live by the rules of "it's over" then I'm sure that that makes sense but

I will go down with this ship and I won't put my hands up and surrender

There will be no white flag above my door,

I'm in love and always will be

And when we meet, which I'm sure we will

All that was there, will be there still

I'll let it pass, and hold my tongue

And you will think, that I've moved on....

I will go down with this ship and I won't put my hands up
and surrender

There will be no white flag above my door,

I'm in love and always will be

I will go down with this ship and I won't put my hands up
and surrender

There will be no white flag above my door,

I'm in love and always will be

I will go down with this ship and I won't put my hands up
and surrender

There will be no white flag above my door,

I'm in love and always will be
