Can you feel the power of this song  
The energy it is giving you  
Brothers united in mind  
Cause Metal is our law.

HEAVY METAL is our law  
HEAVY METAL we are proud and standing tall / we'll  
never fall  
HEAVY METAL is what we feel  
HEAVY METAL harder than steel

Proud 'n Free like will of steel  
Our hearts are as pure as the silence of a night  
We are brothers of METAL united in fight  
Cause METAL is our law

Listen to your hearts they don't defraud you  
This shall be our fighting song  
Even the world is black and hope gets lost  
We'll stand together until the end of time

Our life belongs to Heavy Metal  
Our fight applies to its enemies  
We'll fight for our right  
To live like we want.
