[Chorus: ODB (K. West)]

Now take that and equipment back to the store

We don't wanna hear that weak shit no more

Do anybody else make hits anymore?

Guess not mothafucka, it's The Roc mothafucka!

[Kanye West]

Keep the Receipt mothafuckas! Now y'all gon' stop talkin' that shit that you talkin' Your broke-ass mamma couldn't that disolvent Now tell me how the Hell so gon' afford that coffin? Now I done sat back and seen it all too often The backbone of this like Marino to the Dolphins Most hits out the shot since Sosa and Andre Dawson My niggaz had Pro Tools, I had no tools Karaoke machine, fuck it I'm old school Only difference is my tracks drove niggaz postal So I drove costal while they stay local How I can't rhyme when my freestyles'll roast you? Sit down I'll coach you while we style in posters Dog, niggaz had a chance to sign me, dropped the ball I'll see you at the awards.. HUMPH! Now after all that it took I made it to The Roc, I'm guess I ain't as dumb as you look

[Chorus x2]

[Kanye West]
Now.. I showed you how to do this, dog
Put a few beats on the tape, I saved this one for myself

I heard you nigga's tapes, need a little bit of help
But I'm rappin' and I can't do nothin' for ya, man
S.G'll hop this, 40 grand if you ain't fam
I mean, if you ain't Hov', if you ain't Cam'
Damn, I know you say he's killin' hisself
He got a little bitty deal now he feelin' hisself
Yup, just cuz I played beats and act hospitable
Don't mean I can't get you changed to hospital you
I'm from a raw family, dog, and I'll spit on you
So play like a kid in the garden and get little you
Who ya hype man? I'm curious
It got you souped up like the cars on The Fast & Furious
You goin' through movin' critters, now who's laughin'?
The best producer that rap better than the rappers

[Chorus x2 - last line by K. West the 2nd time]

[Ol' Dirty Bastard (K. West)]
