Can you feel it, tell me can you feel it?  
Can you feel it, tell me can you feel it?  
I believe it's real.

It's time to tell you of a secret I keep  
How I get with you when the world's asleep  
I can't wait for the long day to end  
Then I can be back in your arms again

When I close my eyes  
You are by my side  
And I can picture us together  
Every night I pray there will be a way  
And we can make it last forever

I dream I'm dancing with you  
And I can really move  
I dream you're kissing me  
And I can really feel it  
I dream I'm dancing with you  
And I can really move  
I dream you're kissing me  
And I can really feel it  
Swear I can really feel it  
Swear I can really feel it

I don't mind living in a fantasy world  
I know how it feel to be your girl  
And hear you say the sweetest things soft and low  
I never want to wake up and let you go, no

When I close my eyes  
You are by my side  
And I can picture us together  
Every night I pray there will be a way  
And we can make it last forever

I dream I'm dancing with you  
And I can really move  
I dream you're kissing me  
And I can really feel it

I dream I'm dancing with you  
Until we lose control  
I dream you're loving me  
With all your heart and soul

Someday soon I'm gonna make this dream come true  
I can't deny that I'm so into you  
I want you soon that I forget to breathe air  
The feeling grows so strong... I believe

Can you feel it, tell me can you feel it?  
Can you feel it, tell me can you feel it?  
It's real

Every night I pray  
I will find a way  
To make it last forever

I dream I'm dancing with you  
And I can really move  
I dream you're kissing me  
And I can really feel it  
I dream I'm dancing with you  
Until we lose control  
I dream you're loving me  
With all your heart and soul

I dream I'm dancing with you  
And I can really move  
I dream you're kissing me  
And I can really feel it

I dream I'm dancing with you  
Until we lose control  
I dream you're loving me  
With all your heart and soul  
Swear I can really feel it  
Swear I can really feel it

I believe it's real  
I believe it's real... It's real.
