I could buy a Limousine
I could have a crazy scene
I could take a holiday
And wind my life away

I could buy a diamond ring
Or do 'most anything
I could drink myself to death, sure
Or sit and hold my breath

Can't, can't get enough
Can't get enough of that stuff
Can't get enough, get enough of that stuff
Can't get enough

Can't, can't, can't, can't, can't get enough
Can't get enough of that stuff
Can't get enough, get enough of that stuff
Ooh, that's tough

You said you got it
I just can't afford it
Some folks give it away
Others just keep it for a rainy day

To go around stealin'
And wheelin' and dealin'
The poor men have to earn it
While the rich men sit and burn it

Can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
We can't get enough

We can't, can't, can't, can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
Ooh, that's tough

Money, money, money, money
Money, money, money, money

Money, money, money, money
Take a chance off me, it depends upon you, boy

I say money, money, money, money
Money, money, money, money
Money, money, money, money
Take a chance off me, it depends upon you, boy

Some cheat to kill for it
They'll do or die for it
They'll sing and cry for it
They'll cheat and lie for it

They'll beg on their knees for it
They'll do what they please for it
They'll knock you down
They'll rub you blind, dying on the ground

Can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
We can't get enough

We can't, can't, can't, can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
Ooh, that's tough

Can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
We can't get enough

We can't, can't, can't, can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
Ooh, that's tough

Money, money, money, money
Money, money, money, money
Money, money, money, money
Take a chance off me, it depends upon you, boy

I say money, money, money, money
Money, money, money, money
Money, money, money, money
Take a chance off me, it depends upon you, boy

Can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff

We can't get enough

We can't, can't, can't, can't, can't get enough
Can't get enough of that stuff
We can't get enough, get enough of that stuff
Ooh, that's tough
