You've got this strange effect on me  
And I like it  
You've got this strange effect on me  
And I like it

You make this world seem right  
You make my darkness bright, oh yes  
You've got this strange effect on me  
And I like it, and I like it

And I like the way you kiss me  
Don't know if I should  
But this feeling, it's love and I know it  
That's why I feel good

And I like it, and I like it

You make this world seem right  
You make my darkness bright, oh yes  
You've got this strange effect on me  
And I like it, and I like it

You make my world seem right  
You make this darkness bright, oh yes  
You've got this strange effect on me  
And I like it, and I like it

And I like it, and I like it
