Bang boom bang

A bullet into the brain

Singing supersonic speed again

Another

Bang boom bang

What a beautiful blame

Got a pain killing drung in my veins

Oh Got, I know it"s so strange

You're my double 0-7-I"m your double D love affair

I hear a

Bang boom bang

Go from hell to heaven

Ride an electric chair

Got the best seat in your car

Hand in hand we will survive.

PLAYING BONNIE AND CLYDE

I WOULD DIE

WE"RE STANDIND ON THE EDGE AGAIN

KEROSENE INSIDE

PLAYING BONNIE AND CLYDE

CAN"T YOU SEE

THERE'S AN ALWAYS BURNING PART OF ME

## KEROSENE INSIDE

Bang boom bang

And you got me going

Put a gun in my hand and said:go!

I can"t believe all the trouble

And the passion you show

Put my reality out of control

I hear a

Bang boom bang

I am caught in a trap

With your great victorious name

Another

Bang boom bang

I"m deliriours

I feel no pity, feel no shame

Everything is good

In this rainbow coloured place

Only a few black wholes
I"ll stuff their mouth with lace
Head over heals
Heart over fear
There"s an always burning part of me
Kerosene in me.
