I'm back in the place I started,
My black painted heaven over me,
Still here!
You call and I never call back,
You see that it's time to change my mind,
Finally now!

Today's when I decided,
Today it's time to move,
Today my life's for real!

Today's when I decided,
Today it's time to move,
Today my life's for real!

I would hide and
I will be brave, but please.

I'm back in the place I started,
My black painted heaven over me!
Still here!
You call and I never call back,
You see that it's time to change my mind!
Finally now!

Today's when I decided,
Today it's time to move,
Today my life's for real!

Today's when I decided.
Today it's time to move.
Today my life's for real!

I will hide and
I will be brave, but please!
Could you hold me?
