1.000 words in black  
Off the beaten track.  
Brain washed chronicles,  
Am I cynical?  
Maybe, I need you,  
But you need me more.  
Fairy-tales are gone,  
Thrillers come instead.  
When her wedding dress,  
Turns to raven black.  
Drink to bottle down,  
Cheers to all you know.

Intellectual,  
Hypocritical,  
So adventurous  
And so typical.  
Friend and foe in one  
Scratch your itchy disease.

I'M GONNA DANCE FOR YOU TONIGHT!  
I'LL JUMP OVER FIRE!  
FEED YOUR DESIRE!

I'M GONNA DANCE FOR YOU TONIGHT!  
TAKE ALL THE PIECES!  
BUT DON'T TAKE MY SOUL!

How much is a lie?  
Are you a millionaire?  
How much is the truth?  
Castles in the air.  
It's not your fault.  
It's your rotten heart.

Intellectual,

Hypocritical,  
So adventurous  
And so typical.  
Friend and foe in one  
Scratch your itchy disease.

I'M GONNA DANCE FOR YOU TONIGHT!  
I'LL JUMP OVER FIRE!  
FEED YOUR DESIRE!

I'M GONNA DANCE FOR YOU TONIGHT!  
TAKE ALL THE PIECES!  
BUT DON'T TAKE MY SOUL!

Fairy-tales are gone,  
Thrillers come instead.  
When her wedding dress,  
Turns to raven black.

Intellectual,  
Hypocritical...  
Could you take my soul?

I'M GONNA DANCE FOR YOU TONIGHT!  
I'LL JUMP OVER FIRE!  
FEED YOUR DESIRE!

I'M GONNA DANCE FOR YOU TONIGHT!  
I'LL JUMP OVER FIRE!  
FEED YOUR DESIRE!

I'M GONNA DANCE FOR YOU TONIGHT!  
TAKE ALL THE PIECES!  
BUT DON'T TAKE MY SOUL!
