My mouth is a loaded gun
My words are bullets
Then, baby, you are done
Then it's over
Your stupid worries
You're my victim
My only one
Don't be scared
I'm just gonna kill you
Well I'd love to try to
Damn, I think I'm gonna shoot you
'Cause I have to fuck you up
My mouth is an avalanche
My voice is thunder
It's a one way road to hell
You're going under
You're my victim
My only one
Don't be scared
I'm just gonna kill you
Well I'd love to try to
Damn, I think I'm gonna shoot you
'Cause I have to fuck you up
My mouth is a loaded gun
My words are bullets
Then, baby, you are done
Then it's over
Your stupid worries
You're my victim
My only one
Don't be scared
Don't be scared
I'm just gonna kill you
Well I'd love to, try to
Damn, I think I'm gonna shoot you
'Cause I have to
It's a crime
I'm just gonna kill you
With the weapon in my mouth
I think I'm gonna shoot you
'Cause I have to fuck you up
