I.
here I am talking 'bout discoveries
emptiness, how silly everything can be
my words are strong
my acts are weak
the truth is different

I wanted all
now I am standing here, don't give a damn
I am lost in my past, in reality
it drones in my head Â°C a weird tone
it sounds like...

I didn't lose
I think there must be more
I think there must be more
but I don't wanna wait...

Ref:
THE FUCKING FORTUNE IS NOT SMILING UPON ME

NOT ONE CHANCE TO SHOW MY CAPABILITY
I'M MAD, I'M MAD, I'M MAD

II.
here I am hiding my head in sand
here I am swearing I am innocent
don't wanna crawl, don't wanna sink
all on my own

I wanted all
but it's hard to believe
I will stand on the top of the world
and smile down

who will tell me where it is at all
who will tell me how to get there
'cause I don't wanna wait...
