Singing killer karaoke
Everybody here is joking
and as I see you with the microphone
I feel so special
I think I'd like to know you better

Gimme gimme gimme
gimme gimme gimme a sign
gimme gimme gimme
gimme gimme gimme a smile
gimme gimme gimme
gimme gimme gimme your time
'cause you've got nothing to lose

I must say I'm a little nervous
Getting underneath your surface
don't worry I don't plan to have your baby
I'm not expecting you to marry me
well, not today, but maybe later

yeah, yeah, yeah, yeah

Gimme gimme gimme
gimme gimme gimme a sign
gimme gimme gimme
gimme gimme gimme a smile
gimme gimme gimme
gimme gimme gimme your time
'cause you've got nothing to lose

Gimme gimme gimme
gimme gimme gimme a sign
gimme gimme gimme
gimme gimme gimme a smile
gimme gimme gimme
oh, oh, oh, oh
gimme a sign
gimme a sign
oh, oh, oh, oh
gimme a sign
gimme a sign

oh, oh, oh, oh
gimme a sign
gimme a sign
oh, oh, oh, oh

I must say I'm a little nervous
Getting underneath your surface

Gimme gimme gimme
gimme gimme gimme a sign
gimme gimme gimme
gimme gimme gimme a smile
gimme gimme gimme
gimme gimme gimme your time
'cause you've got nothing to lose

Gimme gimme gimme
gimme gimme gimme a sign
gimme gimme gimme
gimme gimme gimme a smile
gimme gimme gimme

gimme...

gimme your time
'cause you've got nothing to lose (2x)
