Everybody's talkin'  
Telling stories, walkin'  
Trouble's comin'  
Bleed me dry then a kiss good-bye  
Keep on runnin'  
Everyone I don't know  
Seems to know me well  
But they don't give a care  
If I die in hell  
Just as long as they're seen  
Saying a prayer for me

The prowlers keep on prowlin'  
Blind man keep on howlin' like a...

Love sick dog  
A love sick dog  
Howlin' for you  
Crying for bones  
I'm a love sick dog

Gotta do what it takes  
Just to keep it alive

Loose up fever  
Gonna make you a believer  
Or a superstar  
Show me a sign and  
I'll throw you a line for a dime  
No matter who you are

Everybody you know  
Seems to know you well  
But they ain't gonna cry  
If you die in hell  
And when you're short on green  
You become unseen

Growlers keep on growlin'  
Mad man deep on howlin' like a...

Love sick dog

A love sick dog  
Howlin' for you  
Crying for bones  
I'm a love sick dog

Gotta do what I can  
Just to keep it alive  
Gotta do what I can  
Just to make you understand

I can't make it alone  
Somebody throw me a bone
