For the first time you are falling,
No one hears you calling.
No more time for your self-apologies... (No more!)
For the first time you're feeling the burning scar,
And you're bleeding.
Have you gone too far to raise your head?

You hit the ground,
There's no way out.
You're asking questions... (Asking why),
Losing direction.

So, tell me how it feels!
(How it feels, how it is...,
Keep on telling me about it...)
Are you paralyzed?
So, tell me how you feeeeel!
(How it feels, how it is...,
Keep on telling me about it...)
Time to open up yourrr mind!

I am so sorry, you are hurting,
Hate to see you crawling.
Maybe, you'll be better off this way...
Can't you see you were mistaken?
The thin ice kept on breaking,
Maybe, you will understand one day!

So, tell me how it feels!
(How it feels, how it is...,
Keep on telling me about it...)
Are you paralyzed?
So, tell me how you feeeeel!
(How it feels, how it is...,
Keep on telling me about it...)

Time to open up yourrr mind! (Don't youâ€¦?)

So, tell me mother fucker, tell me how it feels...

It's hard to be a sucker, time for getting real...

Oh, tell me how does it feel?

Tell me, how does it feel?!

Tell me, how does it feel?!

So, tell me how it feels!

(How it feels, how it is...,

Keep on telling me about it...)

Are you paralyzed?

So, tell me how you feeee!

(How it feels, how it is...,

Keep on telling me about it...)

Time to open up yourrr mind! (Don't youâ€¦?)
