I got some peaches on my tree
everybody wants them
but they belong to me
I don't wanna share anything
with anyone
they're mine

I got a rainbow on my skin
million treasure seekers wanna get in
with or without please
no give away of keys
they're mine

So keep away
from my place

You don't know me
You don't own me
You don't make decisions for me
I don't belong to you

F*ck your meaning
Keep on dreaming
You can't even hurt my feelings
Breaking your taboo

I got a gracious heart and soul
there's place for many,
but some gotta go
I don't wanna share anything
with anyone
It's all mine

I got a rainbow on my skin
million treasure seekers wanna get in
with or without please

no give-away of keys
they're mine
