I.

I light up one more cigarette
watch the blue smoke
playing with my thoughts in the air
don't wanna lose myself, lose myself
in this silent empty space

II.

you put your head down on my lap
talk of the future
where will we end up on our way
don't wanna lose myself
lose myself
in this ocean full of lies

so tell me why and show me how

Ref:

YOU COULD BE MY, YOU COULD BE MY GOD
SHOW ME HEAVEN, SHOW ME HOW TO LOVE

III.

Where are you spending time tonight
am I there with you
will we two ever stay together
don't wanna lose myself
lose myself
in this ocean full of lies
so tell my why and show me how
