Everytime you shake me,
Everytime you break me,
I take a deep breath.
Let's bring it all behind us,
Tranquilize the surface,
What did you expect?!

You say that family's sacred,
But you're unfaithful, who's to crucify!

You took it easy,
Now the sun is freezing - tragic lullaby!
Shut your mouth...!
Shut your mouth...!

SWEET ENEMY, GET OUT OF MY BED!
I DON'T WANNA SHARE WITH YOU!
DAMN AGONY SPREADS IN YOUR HEAD!
THIS TRAIN IS GOING NOWHERE!

SWEET ENEMY, PERISH YOURSELF!
I DON'T WANNA FIGHT WITH YOU!
STOP KILLING ME,
YOU'RE A SECOND TOO LATE
TO REWIND AND ERASE.

A little bit dramatic,
A person so fanatic -
Damn your best friend.
Let's bring it all behind us,
Tranquilize the surface,
This is the end!
Shut your mouth...!
Shut your mouth...!

You lost everything that's worth to fight for!

Stop to fight, this is the end of the war!

SWEET ENEMY, GET OUT OF MY BED!
I DON'T WANNA SHARE WITH YOU!
DAMN AGONY SPREADS IN YOUR HEAD!
THIS TRAIN IS GOING NOWHERE!

SWEET ENEMY, PERISH YOURSELF!
I DON'T WANNA FIGHT WITH YOU!
STOP KILLING ME,
YOU'RE A SECOND TOO LATE
TO REWIND AND ERASE.

REWIND AND ERASE!
REWIND AND ERASE!
REWIND AND ERASE!

SWEET ENEMY, GET OUT OF MY BED!
I DON'T WANNA SHARE WITH YOU!
DAMN AGONY SPREADS IN YOUR HEAD!
THIS TRAIN IS GOING NOWHERE!

SWEET ENEMY, PERISH YOURSELF!
I DON'T WANNA FIGHT WITH YOU!
STOP KILLING ME,
YOU'RE A SECOND TOO LATE
TO REWIND AND ERASE.

REWIND AND ERASE!
REWIND AND ERASE!
REWIND AND ERASE!
