(Music: F. Ferber; Lyrics: Marta Jandová)

I never really knew before What you expected from me
Standing on a cliff Looking down at your face Maybe I
should try to talk about it with you But now , it's too
much I'm packing my stuff And I am leaving

No way I'll never be your sweet princess
I can't even talk to you You've been stealing my words
Telling me all the time What I've been doing wrong
Forget my life, forget that I'm living In the same town I
don't wanna hear about you anymore Now I am
leaving

No way I'll never be your sweet princess
