I can barely see your face today  
Behind your hands  
You say there's no time to waste  
Hoping that miracles are up to date  
Before you reach the end  
You say:  
How could a "Lucky Jinx" like you  
Believe in a happy end  
You must have known you will lose again  
Still hoping tomorrow is a better day  
Your tears run down your face

[chorus]  
Whatever makes you strong again  
Whatever makes you proud  
Whatever makes you whole again  
Please keep it on your mind  
That I'll always run to you  
Give you everything I have  
I'll do anything, anything, anything

I can barely hear your voice today  
Your words are gone  
I will try to bring them back to you  
Hoping  
They bring you miracles that you prayed for  
Before you reach the end

[chorus]  
Whatever makes you strong again  
Whatever makes you proud  
Whatever makes you whole again  
Please keep it on your mind  
That I'll always run to you  
Give you everything I have  
I'll do anything, anything, anything for you  
I will cheer you up somehow  
I will nail your lips to a smile  
I'll be your clown  
Let you scream into my face  
For all the sinners, all the shame

And for you

[chorus]

Whatever makes you strong again  
Whatever makes you proud  
Whatever makes you whole again  
Please keep it on your mind  
That I'll always run to you  
Give you everything I have

[chorus]

Whatever makes you strong again  
Whatever makes you proud  
Whatever makes you whole again  
Please keep it on your mind  
That I'll always run to you  
Give you everything I have  
I'll do anything, anything, anything
