Here you are  
Sitting in the corner with  
Those baby eyes  
They're drowned in tears again  
For no reason  
A different hobby  
Would do you good  
You are a complete catastrophe

You cry  
Every day  
See you cry  
It's unbelievable  
How long you are playing  
This game

Shut your mouth

You know the best complains  
And I hate to say  
That you are worse  
Than a pain in the ass  
I swear  
We're not in kindergarten  
Like duncan says:

"No Nuts No Glory"  
Still...

I'm Down on my knees  
I'm begging you please  
You're wasting my time  
So get out of my life!
