It's been on my mind such a long long time
And when I look back on you now
It's been all these years and I'm still doing fine
I was dead and you loved me somehow

We were feeling alone, but we were getting high
And when we laid down we made sense
We were moving along, but were we getting by?
Our love, it got lost in the end

So you can tear out my heart if you want it (hey, hey,
hey)
We can still get it on yeah, if you want it (hey, hey, hey)
You'll be on my mind

You've been on my mind such a long long time
And when you look down on me now
Do you see his face and how it looks like mine
You gave me life when you lost it somehow

So you can tear out my heart if you want it (hey, hey,
hey)
We can still get it on yeah, if you want it (hey, hey, hey)
If you wanna be on my mind

Don't come any closer 'cause I'm over you now (hey,
hey, hey)
Don't care how I'm standing, I don't wanna know how
Don't come any closer 'cause I'm over you now (hey,
hey, hey)
Don't care how I'm standing, I don't wanna know how

So you can tear out my heart if you want it (hey, hey,
hey)
We can still get it on yeah, if you want it (hey, hey, hey)
If you wanna be on my mind
On my mind
If you wanna be on my mind

So you can tear out my heart if you want it
(I'm still doing fine)
We can still get it on yeah, if you want it

(you're always on my mind)
You can tell everyone
If you wanna be on my mind
On my mind
If you wanna be on my mind
