Decisions have been made
By the heads of state
They cannot be revoked
The regrets came too late

So the mission is on
And they are on their way
They will come in silence
There is nothing left to say

And they carry the weight
Of a thousand suns
And they bid farewell
To the salute of guns

They will darken the sky
And you cannot hide
As there is no shelter
From this terminal ride

Hear the heavenly choir
From the vicious sky
No believe no devotion
You are doomed to die

They'll turn the apocalypse
Right into fact
There's no turning back
From a suicide pact

First comes the light
Then comes the pain
The final tear
Will be lost in rain

And they carry the weight
Of a thousand suns
And they bid farewell
To the salute of guns

They will darken the sky

And you cannot hide
As there is no shelter
From this terminal ride

Hear the heavenly choir
From the vicious sky
No believe no devotion
You are doomed to die

Feel the heavenly fire
From the vicious sky
No believe no devotion
You are doomed to die
