Go she'd the old skin - for the new skin transgression
Let the old flesh - rotten to trash resurrection
Seize the old laws
Riddled by flaws
Perfection
Open your mind
Don't stay behind
Progression
Weakness - these days are over
Old flesh - replaced by shiny armour
New thoughts - the mind expanding
Real tasks - that are demanding

This body is invincible
Perfection is the principle

Feel the clockwork
Of the new heart
Precision
Feed the engine
Of your bloodstream
Recondition
Move your muscles
Like a machine
Direction
Give your life
A new dimension
Extension
