I don't oppose
I don't confront
Go with the flow
Hard to control
I do conform
I follow the norm
Swim with the mainstream
I'm not what I might seem

I can't be identified
Mr. Faceless personified
Without reflection
There's no detection

This is my strategy
I use the LCD
You can call me an infiltrator
I'm the Lowest Common Denominator

I won't protest
I won't disapprove
The faceless crowd
Covers my moves
I don't offend
Seem easy to bend
Don't have a profile
No godgiven style.
