I walk through the ruins haunted by the past  
Reminders of my fear  
The memories of pain stay here to last  
They will not disappear

The walls reflect the echoes of my screams  
Sound goes on and on  
The trial keeps recurring in my dreams  
Reality has gone

No hope  
Just tears  
Inside the ministry  
No hope  
Just fears

A silent tear she'd in a lonely hell  
Accompanied by hate  
Forgotten years spent in a prison cell  
No witnesses to tell

The walls reflect the echoes of my screams  
Sound goes on and on  
The trial keeps recurring in my dreams  
Reality has gone

No hope  
Just tears  
Inside the ministry  
No hope  
Just fears

Split personality  
Forced to conformity  
Destroyed by brutality  
Unfit to reality  
Quest for indentity

I walk through the ruins haunted by the past  
Reminders of my fear  
The memories of pain stay here to last

They will not disappear
