Holding pieces of shattered dreams accepting nothing  
for what it seems closed minds-narrow vision results are  
the same-just total division it's not a game taking  
pleasure in pain nothing to win and nothing to gain wake  
up to the big mistake those ways of life that make you  
break Moving beyond-shedding the hate moving  
beyond-wiping the slate moving beyond-eith goals set  
high moving beyond-new ways to apply Abuse this  
norm-slashing at the soul wreckage results of lost  
control taught from childhood-words of broken  
nature results of no good I won't give up-I won't cave  
in this is human nature-masterplan before life  
begin generations of life rooted deep it's scarred to  
think what the future will reap Moving beyond...From  
this fragmentation-this crypted scene I'm moving  
beyond-this wicked scheme
