### "Moving Beyond"

Holding pieces of shattered dreams  
Accepting nothing for what it seems  
Closed minds - narrow vision  
Results are the same - just total division  
It's not a game taking pleasure in pain  
Nothing to win and nothing to gain  
Wake up to the big mistake  
Those ways of life that make you break

Moving beyond - shedding the hate  
Moving beyond - wiping the slate  
Moving beyond - eith goals set high  
Moving beyond - new ways to apply

Abuse this norm - slashing at the soul  
Wreckage results of lost control  
Taught from childhood-words of broken nature  
Results of no good

I won't give up - I won't cave in  
This is human nature - masterplan before life began  
Generations of life rooted deep  
It's scarred to think what the future will reap

From this fragmentation - this crypted scene  
I'm moving beyond - this wicked scheme
