Originally performed by Metallica

Blackened is the end

Winter it will send

Throwing all you see

Into obscurity

Death of mother earth

Never a rebirth

Evolution's end

Never will it mend

Never

Fire

To begin whipping dance of the dead

Blackened is the end

To begin whipping dance of the dead

Color our world blackened

Blistering of earth

Terminate its worth

Deadly nicotine

Kills what might have been

Callous frigid chill

Nothing left to kill

Never seen before

Breathing nevermore

Never

Opposition... contradiction... premonition... compromise

Agitation... violation... mutilation... planet dies

Darkest color

Blistered earth

True death of life

Termination... expiration... cancellation... human race

Expectation... liberation... population... lay to waste

See our mother

Put to death

See our mother die

Smouldering decay
Take her breath away
Millions of our years
In minutes disappears
Darkening in vain
Decadence remains
All is said and done
Never is the sun
Never

Fire
To begin whipping dance of the dead
Blackened is the end
To begin whipping dance of the dead
Fire
Is the outcome of hypocrisy
Darkest potency
In the exit of humanity
Color our world blackened
Blackened
