Do you know the ABC
Survival guide in real life
Put it down in your dictionary
Anger, boredom, conformity,
Danger, exhaustion, fake,
Greed, hunger, injury,
Killings, lootings, mad
This isn't poetry
This is the language of reality
Did you learn your ABC
Survival guide in real life
Gotta learn your vocabulary
Nothing, obscene, pain,
Queers, rampage, shame,
Terror, useless, vanity,
Wounded, x-rated, why?
Music: Engler, Altus
Lyrics: Doerper
